If you are in need to improve your technical skills in a friendly environment this workshop is for you. Nobody will judge you and your abilities. We teach everybody what is needed. It will improve your self-confidence in front of the orchestra and will help you become a better conductor.

People interested in participating are asked to fill in the application form, specifying the repertoire they want to actively engage in during classes and rehearsals with the orchestra.

**Important:**

1. At least one overture and one symphony should be mastered by the participant at an advanced level, which will result in more fruitful work during lessons, rehearsals with the orchestra and at the final concert.
2. Furthermore, all participants should be familiar with the entire repertoire listed and be in possession of all scores.
